

Students conducting practicals in a science laboratory.

### FACILITIES:

Bethany has got a well-stocked and spacious library, well equipped science laboratories and a computer lab.

- The school has got good boarding facilities for both girls and boys.
- There is availability of both hydroelectric and solar power, bore hole and tap water.
- The school has a medical center headed by a medical officer and qualified nurses.
- In addition to the medical center, the school gets visiting doctors from Care Health Centre.

### PARTNERSHIP:

Bethany is in partnership with a number of schools both nationally and internationally. This has helped to modify the school curriculum.

Truro - a partner school from England visits Bethany H.S

- The school accommodates most of its staff within the campus, this helps in monitoring the academic and social welfare of the students.
- There is easy accessibility to the school.
- Bethany has a school truck, omnibus and a bus that facilitate the day-to-day transport needs.

Staff Quarters.

### CO-CURRICULAR ACTIVITIES:

Bethany students have formed a variety of clubs, which have helped to create a sense of belonging as well as promoting individual talent and creativity. These include Wildlife, Scouts & Guides, Red Cross, Interact, Scripture Union, Writers' Club, Drama and Debating and ICT club.

There are a number of games and sports played at school namely: table tennis, badminton, darts, indoor board games, football, netball, volleyball, basketball and athletics.

### MEALS AND CATERING SERVICES:

The school administration believes that a healthy mind resides in a healthy body and that the students need a balanced diet; therefore, the students enjoy a variety of foodstuffs, fruits and vegetables throughout the week.

### HOW TO APPLY:

- Interested students should be accompanied by their parents/Guardian to pick application forms from the school. Parents from Eastern Uganda can pick application forms from the following offices;
